**Did you know
that abortion is
NOT protected in
NEW YORK?!**

**That's right, New York's constitution does
NOT explicitly protect abortion or against
discrimination based on age, ethnicity,
national origin, or sex.**

**That means our rights and reproductive
freedoms depend on **the political tides.****

**Prop 1 would
protect abortion
care in New York
FOREVER!!**

*Prop 1 would grow legal
protections in New York by...*

BANNING
*government
discrimination
based on
disability,
age, ethnicity,
national origin,
and sex -*

INCLUDING
*sexual orientation,
gender, identity,
and gender
expression!*

PROP 1 IS ALL ABOUT CREATING...

SAFETY

Prop 1 should protect pregnant people from criminalization for ALL pregnancy outcomes!

Under Prop 1, discrimination based on pregnancy status, pregnancy outcomes, & reproductive health care count as “sex discrimination” and are forbidden!

And yes! Prop 1 protects abortion at any point in pregnancy.

(currently federal and NY state constitutions do **NOT** protect against pregnancy discrimination)

DID YOU KNOW THAT...
